

# Accessing the NG34Bridge website

If you have registered **and** are logged in then the top right of all web pages should look like this:

If instead you see this image you are **either** not registered **or** you are registered but not logged in.

## Logging in

If you click the 'Log in' link this window appears:

### Log in

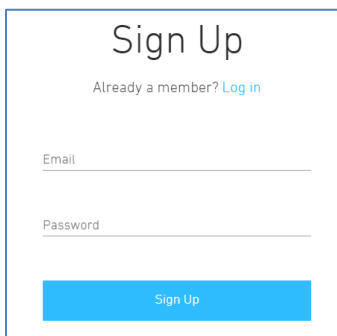

☐ Remember Me [Forgot password?](#)

Don't have an account? [Sign Up](#)

If you are registered and remember your password just complete the log in and click 'remember me'

## Registering for the first time.

If you have never registered then you need to click the 'Login' link on the top right of the web page. This next window should appear:

A registration form titled "Sign Up". Below the title is a link "Already a member? [Log in](#)". There are two input fields: "Email" and "Password". At the bottom is a blue button labeled "Sign Up".

Enter your email address and create your own personal password.

**MAKE A NOTE OF YOUR PASSWORD!!**

Then click the 'Sign Up' button. The next window will appear:

Success! Your member login request has been sent and is awaiting approval. The site administrator will notify you via email (joebloggs2@gmail.com) once your request has been approved.

OK

Once you receive an email confirming that your membership has been approved, you will be able to log in to the ng34bridge website.

## Forgotten your password?

If you have just forgotten your password or have never registered then this next window will pop up.
